ABOUT

Since college, I've worked in the television industry, but it feels like it's time for a change. After spending months taking online courses and teaching myself several programming languages, I'm looking to start working in the New York City tech industry.

WORK EXPERIENCE

Saturday Night Live, New York, NY

Jan 2012-Present

Cue Card Writer

- Works directly with the script department, producers, and talent
- Responsible for getting changes out to floor during live tapings
- Other shows with cue card work
